Hi Julie,

It would be most helpful if they would include the lab number if they have it. The fax number is 617-983-6625.

Thanks,  
Betsy

Hi Julie,

Attached is the form that Christina Miller spoke about last week at the MD meeting in Worcester. Suffolk uses this form to notify the lab when a case has been disposed. I would like to create a form that has all of the necessary information on it to distribute to each of the counties. Can you please let me know what additional information would be helpful to you and your lab personnel? Also, can you please send me the name of the contact and the fax number? Thank you.
